

Certificate

Indoor Air Comfort Gold

Group 3

Certified Product

Egetæpper A/S

Applicant

The product complies with Indoor Air Comfort Gold requirements for product type, version 7.0 (2020). These include both inspections of factory production according to DIN 18200 and VOC testing according to EN 16516 by an ISO 17025 accredited laboratory, at regular interval.

Indoor Air Comfort Gold certification ensures that low product emission requirements are fulfilled and is a sign of the applicant's focus on quality and contribution to a healthy indoor environment.

Compliance with Indoor Air Comfort Gold means compliance with VOC requirements on low emitting products of:

Belgium regulation, France VOC class A+, Germany (AgBB/ABG), BREEAM international, BREEAM NOR, BREEAM NL, LEED, WELL Building, SKA Rating, French HQE certification, Italian CAM Edilizia, BVB (Sweden), Eco Product Norway, DGNB, GUT, Nordic Swan, Blue Angel DE-UZ 128, Austrian ecolabel criteria UZ 35, M1, Danish Indoor Climate Label, very low emitting products according to EN 16798-1, Singapore Green Label, GreenTag Australia

Product type: Textile floor covering

Certificate number: IACG-28-01-03-2020

Issue date: 04 December 2020

Validity date: 04 December 2025

Thomas Neuhaus
Head of Certification Body

This certificate is valid as specified if regular surveillance and testing is done.

Product Testing

Appendix to Certificate IACG-28-01-03-2020

Egetæpper A/S

receives the Indoor Air Comfort Gold certificate with validity 04 December 2025

for below product group, including subgroups and individual products as listed:

Product group: Group 3

Product type: Textile floor covering

Products included:

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort Gold certification. A worst-case product, which is representative for the whole group, is being tested frequently.
